Come back tonight at 6PM for Bible Study with Steve.

The Resurrection: Does I Still Matter?

Without a doubt, the two most extreme claims that Christianity makes are the virgin conception of Jesus and the bodily resurrection of Jesus. Photo finish or jump ball as to which one is most extreme. Christians have two issues regarding the resurrection. First did it actually happen. Second, does it matter today in 2025? If it does matter that leads to another question: Why does it matter? At this time of year when people think of Jesus and his life and work, let's use it as a means of presenting the truth of the gospel to people who are searching. **Steve Cordle**

1 Corinthians 15:12-19 NKJV

(12) Now if Christ is preached that He has been raised from the dead, how do some among you say that there is no resurrection of the dead? (13) But if there is no resurrection of the dead, then Christ is not risen. (14) And if Christ is not risen, then our preaching is empty and your faith is also empty. (15) Yes, and we are found false witnesses of God, because we have testified of God that He raised up Christ, whom He did not raise up—if in fact the dead do not rise. (16) For if the dead do not rise, then Christ is not risen. (17) And if Christ is not risen, your faith is futile; you are still in your sins! (18) Then also those who have fallen asleep in Christ have perished. (19) If in this life only we have hope in Christ, we are of all men the most pitiable.
